

List of CAGONT Executive Committee Members (*Past and Present)

*This list is based on digital records that existed in 2010 when the CAGONT website was redesigned. If you know of anyone who served on the CAGONT Executive Committee for any of the positions and/or time periods, please send that information to forsythe@geography.ryerson.ca and it will be added. The current members of the executive would like to acknowledge (as far as possible) all contributions to CAGONT from Executive Committee members in the past.

President
