**COURSE DESCRIPTION:** The Austria/Germany/Italy field trip will take place from September 14 to 23, 2007. It is designed to expose students to a range of issues particular to these countries and regions.

Students are responsible for ensuring that they possess the necessary documentation for admission to Austria/Germany/Italy (i.e., Passport, Canadian birth certificate and photo identification, visa if necessary, etc.). If you have any questions about this, contact Wayne Higgins (Departmental Assistant) at 416-979-5038.

Space is at a premium, so baggage will be restricted to **one bag per person**. Any medical problem should be pointed out to faculty **prior** to leaving Toronto. If you require prescription drugs, be sure they are kept in the original prescription bottle, or are accompanied by the prescription. You need to ensure that you acquire Blue Cross or equivalent supplemental medical coverage for the period of the field trip (unless you already covered by a plan for foreign medical expenses).

Students are **required** to sign a **Release of Liability, Waiver of Claims, Assumption of Risks and Indemnity Agreement**.

**COURSE EVALUATION:**

- |  |   |     |
|--|---|-----|
| 1) Pre-Trip Test<br>(Sept. 12 - multiple choice and fill in the blanks)  | = | 20% |
| 2) Journal<br>(Due - November 5, 2007 by noon; late penalty 10%/day, not accepted if more than 2 school days late) | = | 80% |

**All assignments must be handed directly to your instructor.**

In order to receive a passing grade for the course, students must:

- 1.** Meet acceptable standards in the required assignments;
- 2.** Participate in the scheduled activities on the field trip itinerary (**a 10% total course grade reduction** will be administered for each scheduled event on the field trip where students fail to participate; **a 5% total course grade reduction** will be administered for each scheduled event on the field trip where students are late); and
- 3.** Meet professional standards of conduct. Students must adhere to the Student Code of Academic and Non-academic Conduct and other relevant university policies. You are responsible for reading the code. **Proper student conduct is crucial on a trip of this nature**—any breach will be addressed by instituting disciplinary action.

**NOTE:** Unless otherwise indicated, all work must be done **individually**. Late penalties on all required course material: **10% per day** (not accepted if more than **two (2) school days late unless a medical certificate is submitted or other acceptable arrangements have been made and confirmed in writing prior to the due date**). If you miss the test, a medical certificate is required to write a replacement test. This document should be submitted within three (3) working days of the missed test.

<b>No Faculty Course Survey will be administered for this course.</b>
